Day By Day Itinerary

Day 1

Luxor - Exploring Ancient Egypt’s Treasures

Your adventure begins in Luxor, where you’ll be picked up from your hotel or airport.

First, journey to the West Bank to discover **the Valley of the Kings**, where the tomb of Tutankhamun was famously uncovered. Continue to the towering **Colossi of Memnon**, two awe-inspiring statues of **Amenhotep III** that stand watch over his ancient mortuary temple.

Then, visit the **Temple of Hatshepsut**, the magnificent rock-cut tomb of Egypt’s first female pharaoh, before marveling at the immense Karnak Temple complex.

After a day filled with history, board your Dahabiya Amoura and set sail from Esna, with your first night spent on El Hegz Island.

Day 2

Temple of Horus at Edfu and the Local Villages Along the Nile

As the morning sun rises, enjoy a leisurely breakfast while cruising toward the Temple of Horus at Edfu, one of Egypt's most well-preserved ancient marvels. Its towering columns and intricate reliefs bring the legend of Horus to life.

After your visit, continue your sail along the river, passing lush islands where children play and buffaloes wander freely. As you reach Bassaw Village, you’ll be welcomed by the warm-hearted locals, who offer a glimpse into their secluded way of life. Visit their farms, enjoy the peacefulness of the village, and perhaps even bake some sun bread.

The evening culminates in a vibrant Egyptian folkloric presentation under the stars.

Day 3

Exploring Hormoheb Temple, Selsila Temple, and Continuing Toward Aswan

Another day of discovery awaits as you explore **the Hormoheb Temple and Selsila Temple**, both tucked away in serene corners of Egypt. These temples offer an intimate experience with Egypt's ancient past, away from the usual tourist crowds.

After soaking in the history, return to your Dahabiya and continue your voyage through breathtaking scenery. As you sail through islands like Bashier and Maliha, you'll arrive at Kom Ombo to explore its unique twin-temple dedicated to Sobek and Haeroris. It's one of the most intriguing structures along the Nile, offering a rare glimpse into Egypt's dual religious practices.

Day 4

Temple of Philae, Aswan Souq, and the Nubian Village

As the boat sails into the heart of Aswan, you'll be mesmerized by the Temple of Philae, one of Egypt's most beautiful and well-preserved temples. Nestled on an island, the temple was relocated to higher ground to protect it from the rising waters of Lake Nasser.

After the temple visit, dive into the colorful chaos of Aswan Souq (market), where you can haggle for spices, souvenirs, and enjoy the lively atmosphere. Sample the famous sugarcane juice and experience the bustling market's charm.

If time permits, a visit to the Nubian Village will immerse you in the culture of this ancient community. Enjoy a camel ride, take in the vibrant colors of the village, and enjoy a warm cup of tea with the locals.

Day 5

Farewell to the Nile - Disembarkation at Aswan

As your journey comes to a close, you'll enjoy a **peaceful breakfast onboard your Dahabiya** before disembarking in Aswan.

Your guide will assist you with your transfer to the Aswan airport or your hotel, where you'll carry the memories of this enchanting Nile voyage with you.
