Day By Day Itinerary

Day

Luxor Sightseeing Tour from Cairo by Plane

Your private Egypt day tour begins with an early morning pickup from your Cairo hotel by a friendly Journey To Egypt representative, who will transfer you comfortably to Cairo International Airport for your short flight to Luxor. Upon landing, your private, expert Egyptologist guide will be waiting for you right outside the arrival exit door, holding a sign with your name. Your exploration kicks off as you cross the Nile River to Luxor's legendary West Bank, home to the richest and most celebrated ancient burial grounds on earth: the Valley of the Kings. Here, you will step inside magnificent royal tombs carved directly into the desert rock, where vivid paintings and hieroglyphs still preserve their ancient splendor. You will even stand in the very valley where King Tutankhamun’s treasure-filled tomb was famously discovered in November 1922.

Next, you will proceed to Deir El-Bahari to marvel at the mortuary Temple of Queen Hatshepsut. Built around 1500 BC, this architectural masterpiece features dramatic terraced colonnades that blend seamlessly into the towering limestone cliffs behind it. Afterward, you will make a stop at the colossal twin statues known as the Colossi of Memnon, where your guide will share the ancient Roman legends of the "singing statues" cracked by an ancient earthquake. After a delicious lunch at a local restaurant, you will cross over to the East Bank of the Nile to explore the awe-inspiring Karnak Temple complex. Dedicated to the sun god Amun-Ra, this massive complex functions like a history book in stone, consisting of incredible halls, obelisks, and sanctuaries added to by successive pharaohs over thousands of years, stretching all the way to the Roman era. Your Luxor experience also features a relaxing Nile felucca tour, allowing you to sail the historic waters in a traditional Egyptian sailboat. At the conclusion of your sightseeing, you will be transferred back to Luxor Airport for your return flight to Cairo, where our driver will be waiting to take you safely back to your hotel.
