About

Watch history come alive at the world-famous Giza Pyramids Sound and Light Show. As darkness falls over the desert, the Giza Plateau illuminates in a spectacular audio-visual display that narrates the ancient mysteries of the pharaohs. You will learn about the building of the world's most iconic monuments and discover the epic history of the Great Sphinx, the legendary guardian that has watched over the Giza Necropolis for thousands of years. As you take your seat beneath the stars, the dramatic performance opens with the booming voice of the Sphinx, who shares the sweeping history of the city of the dead. Through brilliant lasers and projection mapping, the show brilliantly depicts the construction of the Pyramids of Khufu, Khafre, and Menkaure. You will travel back in time to discover the lives and legacies of ancient Egypt's most famous figures, including Thutmose IV, Akhenaten, Queen Nefertiti, and King Tutankhamun.
