Ride a motorized boat to the **island of Agilika**. This sacred complex was dedicated to the goddess Isis and reflects a fusion of three great civilizations — Egyptian, Greek and Roman. The temple was dismantled and then painstakingly reassembled when the Aswan High Dam was constructed. Proceed to **Aswan High Dam**. Then, **Board your Nile cruise boat**. Enjoy lunch. Later, **Ride Like a Local around the Aswan Islands in a felucca**, while enjoying a refreshing Scenic Sundowner.

Abu Simbel Temples & Kom Ombo Exploration

Early morning, make your way to **Abu Simbel temple** by private vehicle (**3 hrs each way by road**) **And discover Abu Simbel**, the commanding **twin temples of Ramses II and his wife**, Queen Nefertari. The former's façade is dominated by four 70-foot-tall statues of the pharaoh. Perhaps even more impressive, this entire site was disassembled and moved here to save it from the floodwaters caused by the Aswan High Dam.

Cruise to Kom Ombo. Disembark at **Kom Ombo** (hill of gold) to visit the Greco- Roman temple dedicated to Haroeris (the sun god) and Sobek (the crocodile god), whom some ancient Egyptians considered the creator of the world. View the mummified remains of several crocodiles that once basked along the ancient Nile shore, just as their descendants do today. Back on board, **Cruise to Edfu**.

Meals: Breakfast, Lunch, Dinner

Day 3

Temple of Horus, Karnak & Luxor Temple Highlights

Today, view the **Temple of Horus**, falcon-headed god of the sky. Built in 230 BC by Ptolemy III, this amazingly well-preserved and colorful structure reveals what temple worship in ancient Egypt was like. Back on board, **Cruise to Luxor**.

Arrive in Luxor, journey to the **east bank of the Nile**, the **Temple of Karnak**, where generations of pharaohs wished to record their names. Walk through the Great Hypostyle Hall, strolling among its expertly aligned columns, which soar to 80 feet high. Continue to the striking **Temple of Luxor**. View the three large statues of Ramses II along the front of the temple pylons; the Courtyard of Ramses II; and the Colonnade of Amenhotep III, with its 50-foot-high columns. Walk in their shadows as visitors have done since antiquity and ponder the astonishing feats of engineering it took to create them.

Meals: Breakfast, Lunch, Dinner

Day 4

Discover Luxor's Ancient West Bank Before Departure

This morning, explore the **west bank of the Nile River** and the Necropolis of Thebes, and view the **Colossi of Memnon**. Next, arrive at the architecturally stunning **Temple of Hatshepsut**, ancient Egypt's first female pharaoh and regarded today as one of its most successful. Continue to the **Valley of the Kings**, burial ground of the pharaohs and a UNESCO World Heritage Site. For a period of 500 years beginning in the 16th century BC, tombs were built along this valley for pharaohs and nobles, including that of "the boy king," Tutankhamun. Enter the tomb of Tutankhamun (**Extra Ticket on spot**) - found in 1922 by British archaeologist and Egyptologist Howard Carter- to discover the secrets of this storied chamber.
