Day 1

Cairo

Welcome to Egypt! Upon arrival at **Cairo Airport** you will be met and transferred to your hotel.

Day 2

Pyramids of Giza

Today, we enjoy a full day of touring. Our first stop this morning is the famous **pyramids** and **the iconic Sphinx at the Giza Plateau**. Sole survivors from the ancient Greek, listed as one of the Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction. Known as **Cheops**, **Chephren** and **Mycerinus**, the pyramids were already more than 2,000 years old when **Herodotus the Greek historian** visited them (in 5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stone cutters carried out the job of building the pyramids. 100,000 workers were used to carry out the back-breaking task of moving and laying the stones of the largest pyramid - Cheops and about 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes were used to construct it. Leaving the Pyramids of Giza, we stop at a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices. Continuing to **Grand Egyptian Museum**, we'll discover a mind-boggling array of relics and antiquities from almost every period of ancient Egyptian history, including the treasures of **King Tutankhamun**. Our tour comes to an end today with a transfer to **Luxor Airport**.

Meals: Breakfast, lunch.

Day 3

Valley of the Kings

4000 year-old Luxor is ancient Egypt at its very best. This morning we visit Luxor's famous **West Bank**. Our first stop is the famous **Valley of the Kings** which is studded with beautifully decorated tombs, including the **tombs of Ramses II, Seti I and Amenhotep II**. After exploring this incredible site we travel to visit **Temple of Hatshepsut**, who was one of only three Egyptian ruling queens. Our final stop on the West Bank is to see the imposing 18m-high **Colossi of Memnon**, which is all that remains of the temple of the hedonistic Amenophis III. have lunch before we visit the colossal Temple of Karnak later this afternoon. More than a temple, **Karnak** is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the

Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Overnight: **Luxor Meals: Breakfast, lunch.**

Day 3

Abu Simbel - Fly home

Early morning, we drive to to the magnificent rock-cut **Temples of Abu Simbel**, built by mighty King Ramses II. Later, we fly back to Cairo. Our Egyptian adventure comes to an end today at **Cairo international airport**. **Meals: Breakfast.**

Day 4

Aswan (Luxor to Aswan, approximately 4 hours and haf)

Today, we take a trip to **Philae Temple** - dedicated to the goddess Isis. The temple dates from 4th century BC but the Ptolomies and the Romans up to 3rd century AD built most of the existing structures. In danger of being completely submerged by the rising water of Lake Nasser, in 1972 UNESCO stepped in and an 8-year rescue effort was undertaken to relocate the entire temple 20m higher on nearby **Agilika Island**.

Meals: Breakfast, lunch.
