? Day By Day Itinerary

Day

Your private **Egypt day tour** begins with a convenient pickup directly from your Cairo accommodation in a comfortable, air-conditioned vehicle. As you head toward your first stop, your expert guide will share the fascinating story behind **the National Museum of Egyptian Civilization (NMEC)**. This world-class institution made global headlines when it was officially opened alongside the Pharaohs' Golden Parade—a historic event where 22 royal mummies, including 18 kings and four queens, were moved through the streets of Cairo to their new resting place. Inside the museum, you will marvel at an incredible collection of 50,000 artifacts showcasing the evolution of Egyptian civilization from prehistoric times all the way to the present day.

Next, you will discover the magnificent **Salah El-Din Citadel**, perched high on a visible spur of the Mokattam Hills in Old Cairo. Your guide will bring history to life as you learn how this grand fortress, which began construction in 1176, served as the political and military nerve center of Egypt for nearly 700 years. From this vantage point, you will also enjoy spectacular, panoramic views of the Cairo skyline. Finally, you will dive into the heart of local culture with a visit to **the historic bazaar district**. This bustling market is home to talented Egyptian artisans who still practice traditional crafts, making it the perfect place to pick up authentic, handmade souvenirs before your private driver transfers you comfortably back to your hotel.
