Full-day guided tour of Luxor with hot air balloon ride

Your adventure begins with an early morning pickup directly from your hotel lobby or cruise ship in Luxor in a comfortable, private air-conditioned vehicle. You will transfer straight to the West Bank launch site, where you'll join a shared basket for an unforgettable hot air balloon flight, spending approximately 45 minutes floating gracefully above the Nile Valley, ancient temples, and traditional villages as they glow in the morning sun. After a smooth landing, you will leave the shared flight group behind to meet your private guide near the historic Colossi of Memnon. Take a moment to appreciate these towering 60-foot statues before proceeding to the world-renowned Valley of the Kings, historically known as the "Place of Truth." Here, your private guide will lead you inside three magnificent royal tombs embellished with vivid murals and intricate hieroglyphics. Next, you will venture to the Temple of Queen Hatshepsut, a remarkable terraced architectural masterpiece etched directly into the steep cliffs of Deir el-Bahari. You will then traverse the Nile to the East Bank aboard a traditional wooden felucca, savoring a tranquil and scenic private sailing interlude on the river before reaching a quality local eatery for a leisurely lunch. Your private journey rounds off at the expansive Karnak Temple complex, exploring its grand forest of sanctuaries, pylons, and obelisks devoted to the Theban gods. After a full day of personal discovery, you will be driven smoothly back to your accommodation or cruise ship.
