Guided tour to Dendera temple and felucca cruise with lunch from Luxor

Your full-day experience begins with a convenient pickup from your hotel or cruise ship in Luxor in a comfortable, air-conditioned vehicle. As you head 82km north toward Dendera, you will enjoy fresh water, juice, and traditional local snacks called "Boksomat"—crisp rusks baked with cumin and sesame. The drive itself is a rich cultural journey; you will watch local Egyptian villages and lush green fields pass by, catching glimpses of daily life as farmers plow and harvest, children head to school, and women travel to market to sell fresh homemade cheese, butter, and geese. Upon arriving at Dendera, you will marvel at the grand temple complex, exploring its massive intact stone roof, dark hidden chambers, mysterious underground passages, and towering columns deeply inscribed with hieroglyphics. Your guide will share the sacred history of this ritual location, where the Goddess Hathor is said to have given birth to Horus. After exploring, you will return to Luxor to board a traditional wooden Egyptian felucca. You will enjoy a peaceful cruise under its classic canvas sail, gliding smoothly along the Nile until you dock directly at the premium waterfront of the Hotel Steigenberger Ahti or Iberotel Luxor to enjoy a delicious, relaxing lunch.
