Day 2

Luxor Tour – Karnak Temple, Valley of the Kings & Hatshepsut Temple

You wake up in Luxor, where the morning sun casts a warm glow over the banks of the Nile. After a hearty breakfast at your **comfortable 5-star hotel**, your expert Egyptologist guide welcomes you for another unforgettable day of discovery.

Your first visit is to the awe-inspiring **Karnak Temple**, the largest religious complex ever built in ancient Egypt. As you walk beneath giant stone columns carved with sacred inscriptions, it feels like stepping into a living history book—this was the spiritual heart of ancient Thebes.

After exploring Karnak, you'll enjoy lunch at a cozy local restaurant, where the rich flavors of Egyptian cuisine give you a taste of modern-day Luxor.

Next, your tour continues across the Nile to the West Bank — the realm of ancient tombs and royal secrets. You'll stop at the **Colossi of Memnon**, two towering statues that have stood watch over the Theban necropolis for more than 3,000 years.

Then, it's time to enter the legendary **Valley of the Kings**, final resting place of Egypt's greatest pharaohs. With your guide by your side, you'll explore three intricately decorated tombs (excluding Tutankhamun), each one telling its own story of the afterlife in dazzling color.

Your last stop is the majestic **Temple of Queen Hatshepsut**, carved into the cliffs of El-Deir El-Bahari. This one-of-a-kind structure was built for Egypt's most powerful female pharaoh and stands as a symbol of vision, leadership, and timeless beauty.

As the sun begins to sink over Luxor's golden hills, you'll return to **Hurghada by private vehicle**, bringing with you not just photos — but memories etched in your heart.
