Explore Karnak & Luxor Temples in Luxor

Your tour begins with a convenient pickup from your hotel or cruise ship in Luxor in a comfortable, air-conditioned vehicle as you are driven directly to the East Bank of the Nile. Your first major destination is Karnak, celebrated as the Jewel of the Egyptian Temples. Here, you will spend your morning exploring a vast complex of sanctuaries, kiosks, towering pylons, and majestic obelisks, all dedicated to the Theban gods and the powerful rulers of Egypt's Middle and New Kingdoms. After touring the temple interior, you will experience the Kabash path, famously known as Sphinx Alley. Your local expert tour guide will explain how this grand avenue was built to connect the vast Karnak Temple directly to the Luxor Temple, once hosting a massive annual procession where ancient Egyptians carried the statues of the central god Amun and his wife Mut to symbolically re-enact their marriage. You will learn how this historic road was later utilized by the Romans and is believed to have been renovated by Cleopatra. Following the path, your tour concludes with a comprehensive visit inside the magnificent Luxor Temple itself to admire its beautifully preserved courtyards and colossal statues, before you are transferred smoothly back to your hotel or cruise ship.
