Day

Private Luxor Day Tour from Aswan with Valley of the Kings & Karnak Temple

Your day begins with an early morning pickup from your hotel lobby or Nile cruise ship in Aswan. Relax inside a comfortable, private air-conditioned vehicle during the scenic 4-hour drive north along the Nile Valley straight to the West Bank of Luxor.

Your exploration kicks off on the West Bank to beat the midday heat. Your first stop will be the dramatic Colossi of Memnon—two towering stone statues of Pharaoh Amenhotep III that have stood guard over the desert plains for millennia. Next, descend into the spectacular Valley of the Kings. Your local expert tour guide will share the history of these ancient royal burial grounds as you step inside 3 of the most magnificently decorated tombs carved deep into the desert rock. Continue your West Bank journey at the breathtaking Temple of Queen Hatshepsut at El Deir El Bahary, a stunning architectural masterpiece dedicated to Egypt's most powerful female pharaoh.

After completing your West Bank tour, cross the Nile to enjoy a delicious lunch at a quality local restaurant. In the afternoon, explore the grand East Bank as your guide leads you into the massive Karnak Temple complex. As the largest ancient religious site ever built, its historic name Ipet-isut translates to "the most sacred of places." Walk through the awe-inspiring Great Hypostyle Hall, an incredible forest of 134 giant sandstone pillars erected by generations of pharaohs. Before concluding your day, enjoy some free leisure time for shopping at authentic local papyrus institutes and traditional perfume oil shops. Your private vehicle will then transfer you smoothly to your chosen hotel, resort, or cruise ship dock in Luxor for drop-off.
